DRAFT RESULTS FOR RISING ROOKIES

| PICK | OVR | FRANCHISE                                                                           | PLAYER                            | DATE/TIME                             | ELAPSED | POINTS | COMMENTS                                                                                                                                                                                                                                                                                                       |
|------|-----|-------------------------------------------------------------------------------------|-----------------------------------|---------------------------------------|---------|--------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1.01 | 1   |  | Love, Jeremiyah<br>ARI RB (R) (Q) | Fri May 15<br>1:18:38 a.m.<br>ET 2026 | -       | 48.90  | [Pick traded from Manhattan Beach Militia.<br>Pick traded from Boston Brahmins.]<br>Easiest 1.01 decision I'll ever have, moving up to get Love, with a weak RB room to start to fix, this is the key to the future. Sure you can nitpick the situation in ARI but this is for the long-haul, no worries here. |

|      |   |                                                                                     |                                 |                                       |                 |                                                                                                                                                                                                                                                                           |
|------|---|-------------------------------------------------------------------------------------|---------------------------------|---------------------------------------|-----------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1.02 | 2 |    | Mendoza, Fernando LVR<br>QB (R) | Fri May 15<br>1:18:38 a.m.<br>ET 2026 | -               | [Pick traded from Thief River Unforgiven.<br>Pick made from Pre-Draft List]<br>- Slot him in next to Drake Maye for the next few years after Stafford hangs it up and I feel like my qb room is set.                                                                      |
| 1.03 | 3 |    | Tate, Carnell TEN<br>WR (R)     | Fri May 15<br>1:18:38 a.m.<br>ET 2026 | - 45.80         | [Pick made from Pre-Draft List]<br>I'm not excited about drafting a WR that wasn't even the #1 on his own college team. Hopefully NFL scouts are better than me.                                                                                                          |
| 1.04 | 4 |    | Price, Jadarian SEA RB (R) (I)  | Fri May 15<br>1:18:38 a.m.<br>ET 2026 | - 14.00         | [Pick made from Pre-Draft List]<br>So my first draft pick in 5 year and I get sniped! Joke<br>Price is I'm hoping going to be a focal point of the offence for years to come and freshen ups a room of veterans so youth is good! <a href="#">Edit Comment</a>            |
| 1.05 | 5 |    | Lemon, Makai PHI WR (R)         | Fri May 15<br>1:18:38 a.m.<br>ET 2026 | - 17.00         | [Pick made from Pre-Draft List]<br>Lemon is a dawg. He fits the new Philly offense and is a lot more well rounded than people think - he's not just a slot receiver. This was always the plan even with Tyson on the board. Trust the talent. We're having a Lemon party. |
| 1.06 | 6 |    | Tyson, Jordyn NOS WR (R) (I)    | Fri May 15<br>9:01:14 a.m.<br>ET 2026 | 7 hours         | - [Pick traded from Boston Brahmins.<br>Pick traded from Philadelphia Pigskins.]                                                                                                                                                                                          |
| 1.07 | 7 |  | Concepcion, KC CLE WR (R)       | Fri May 15<br>9:04:13 a.m.<br>ET 2026 | 2 minutes 31.14 | [Pick traded from Windy City Blitz.]<br>Gainesville Gator your up                                                                                                                                                                                                         |
| 1.08 | 8 |  | Sadiq, Kenyon NYJ TE (R)        | Fri May 15<br>1:10:48 p.m.<br>ET 2026 | 4 hours 44.60   | [Pick traded from Gainesville Gators.]<br>Best way to fix a perpetually bad team is to draft a TE in the 1st round.                                                                                                                                                       |
| 1.09 | 9 |  | Simpson, Ty LAR QB (R)          | Fri May 15<br>3:10:00 p.m.<br>ET 2026 | 1 hour          | [Pick traded from Riverside Rottweilers.<br>- Pick traded from UpsideDown Demogorgans.]<br>Did we forget this is a superflex league???                                                                                                                                    |

|      |    |                                                                                     |                                      |                                                                                     |                                    |                                       |               |       |                                                                                                                                                                                                       |
